Background

Elk Cove Vineyards is one of Oregon's oldest and most respected wine producers. Founded in 1974, by Pat and Joe Campbell, our focus has always been to produce hand crafted, Estate grown wines that can rival the best in the world. Elk Cove Vineyards Estate vineyards now cover over 220 acres on four separate sites in the Northern Willamette Valley. Steep south facing slopes, of Willakenzie and Laurelwood soil types with excellent drainage, provide the perfect environment to grow the world class wine grapes that are the basis for creating Elk Cove wines. Proper site selection and meticulous vine management along with harvesting at very low yields creates the concentration and depth of flavour that are hallmarks of Elk Cove wines.

Tasting Notes

"The 2017 Pinot Gris has an open nose of Bosc pears, white peach and apricot with touches of spring blossoms and wet pebbles. Light to medium-bodied with good concentration of fresh fruits in the mouth, it offers crisp, refreshing acidity, finishing long with just a touch of phenolic texture. 20,000 cases produced."
