Background

Musso Wine producers is located in Barbaresco, small village located in the heart of the Langhe area, few kilometres from Alba. The enterprise was founded in the beginning of the 20th century by the great grandfather of the present director, oenologist Valter Musso. In recent years, Valter Musso has kept the activity as a family enterprise, combining innovation and respect of the traditions in an harmonious way. The family owns 13 hectares of vineyards, situated in Barbaresco's commune where typical grape types of the area are cultivated: Nebbiolo, Barbera, Dolcetto, Freisa and Chardonnay. The annual production is of about 70.000 bottles, kept so to maintain a high standard of quality of the wines produced.

Tasting Notes

The Langhe Nebbiolo expresses the noble character of the prestigious vineyards of origin: a intact garnet red colour with good intensity and beautiful hues; fruity scents such as raspberry and red fruit jam with spices reminiscent of cinnamon and green pepper; the taste is rich, dry, persistent, beautiful personality and pleasant tannins.
